Address	Brandýs nad Labem - Stará Boleslav, Czech Republic

About Me

I was born in Prague to two university graduates. That has made my life full of social events, sports, and insatiable thirst for high educational knowledge even tho I never graduated any University.

Logic puzzles and hard social and political conversations make my life bearable. Various sport and cultural activities make it even enjoyable. Getting a challenging job in IT with fine colleagues and starting a family will make my life almost perfect.

Formal Education

University - Czech Technical University in Prague - Water management and water structures (not graduated)
2010-2016

High School - Gymnázium J. S. Machara, Brandýs nad Labem - Stará Boleslav, Královická 668 - Gymnázium (všeobecné 4 leté)
2008-2010

High School - Gymnázium Přípotoční 1337 - Gymnázium se sportovní přípravou
2005-2008

Elementary School - Základní škola a mateřská škola, Praha 3, nám. Jiřího z Lobkovic 22/121
